

## Monthly Replacement Soft Contact Lens Prices

### Initial Fitting Fee

**£60.00**

This fee includes, the contact lens fitting, instruction on the handling your contact lenses and an initial supply of lenses and solutions for a trial period of wear. For everyday wear we would recommend Silicon Hydrogel lenses which supply up to 400% more oxygen to the eyes than Basic Lenses

**FREE FITTING IS AVAILABLE (please ask for details)**

### Subsequent Charges

The following charges are payable by monthly standing order. This all inclusive price **includes contact lenses and the solutions** to care for them, **all aftercare and eye examination fees** and free update to your contact lens prescription when required. Lenses and solutions are supplied six monthly.

#### Spherical Lenses
